K,

Good afternoon!

Thank you so much for sending over your photos and for getting us your waivers. Our guest passes are electronic now, so you will not receive a physical guest pass card. However, I have input your information into our system, so you four should be all set for the dates you have requested, 2/23 through 3/1. You will need to simply state your name at each clubhouse, and they will look up your information and subsequently let you through.

Please let us know if you have any additional questions.

Have a wonderful time here at Desert Mountain!

Thanks so much A
Kand her family are interested in possibly becoming members of desert mtn and will be looking at homes while there are here. I haven't had a chance to fill out the online referral paperwork yet, but I will do so today and pass the info onto membership services so that they can follow up with them as and well.

Appreciate your help.
S

Sounds great!

In addition to the referral, please feel free to send a note directly to C at c@desertmt.com so she knows that they're in town. She could reach out to them directly to see if they'd like to do a full property tour while they're here!

Best,
